

## **COVID-19 Protocol: Updated 09/19/2022**

**\*\*Mask mandates may have changed for our area, but health/dental care settings are still required to wear a masks\*\***

### **INFECTION CONTROL**

- Please wear a mask when entering the office
- Use hand-sanitizer upon entering the office
- Air purifiers with H13 HEPA filters and UV light placed throughout the office to continually clean the air
- Hypochlorous Acid .03% sprayer used twice a day to disinfect the office
- High volume touched surfaces are wiped with germicidal disinfectant wipes frequently
- Operatories are thoroughly cleaned and disinfected with new barriers placed for each patient
- Practice Social Distancing
- Staff will continue to wear personal protective equipment (PPE) and follow universal precautions as per the CDC
- All team members are health screened daily

### **SCHEDULING**

- Reschedule if you or someone in your household has had symptoms of COVID19 within 10 days.
- If you are experiencing any flu/COVID-like symptoms, please give our office a call or text to reschedule.
- As our community increases in becoming vaccinated, patients are more comfortable with returning to our practice to resume their dental care. Please be patient as we try to accommodate everyone.

### **ARRIVAL**

- We ask that those who come to our office alone, unless a guardian or nurse is needed, please limit it only 1 additional person as to allow for adequate socially distant space in our waiting area.
- Masks are still required for any individuals entering dental offices; we are fully stocked with them and are more than happy to provide one for you.
- Patients will be provided with protective eyewear to wear during all treatments.

### **CHECKOUT**

- Patients will be asked to leave the treatment room wearing their mask.
- Observe social distancing best practices. Please be patient as we will be limited to 1 patient checking out a front desk at a time.
- If front desk staff is unavailable, please take a seat in our waiting room and wait for us to care for you.
